PAYMENT TERMS AND CONDITIONS

1. We have an annual admin fee of R180 invoiced in March 2023.
2. We have 3 terms per year - January - April, May - August, September - December.
3. Termly fees may be paid in advance and 2nd payment due before the beginning of the following month.
4. Fees increase annually.
5. One calendar month's Written Notice is required to terminate lessons.
6. On receipt of written notice (which must be dated) the swimming academy will provide the parent with written confirmation within 7 days of receipt thereof, to be kept as proof of notice.
7. No telephonic or verbal notice will be accepted.
8. Should you wish to stop swimming temporarily or permanently 30 days' written notice is required. If no written notice is provided you will be expected to pay one month's notice.
9. All invoices are generated in advance and need to be settled prior to starting the month's swimming lessons.
10. Payments are to be made in advance for lessons.
11. Should payments not be made swimming lessons will be stopped until such time as the account is brought back up to date. Please note that no make-up lessons will be provided for the time whilst the account is still unpaid.
12. Make-up lessons will be offered on request to children who are ill and for this reason cannot attend their lessons. In order to secure a catch-up lesson arrangements need to be made with Swim Safe Academy, who will offer you a time that is available for you to catch up the missed lesson. Missed lessons cannot be carried over into the next month, nor can they be banked.
13. Should you need to change a swimming time, this needs to be done prior to the 20th of the month before you wish the change to take place. No changes will be done to swimming times during the course of the current month.
14. There will be no swimming if there is lightning within 12 km.
15. Swim Safe is closed on public holidays and lessons which fall on these days will not be made up. There are several months in the year with 5 weeks and we do not charge extra for the additional lessons given in these months.
